Engagement Model Training

'The Engagement Model' is an assessment tool that helps schools meet their duties in supporting pupils who are working below the level of the national curriculum and who are not engaged in subject-specific study. 'The Engagement Model' became statutory from September 2021, replacing P scales 1 to 4.

As a DfE 'The Engagement Model' trainer, Ellen will deliver the DfE's approved 'The Engagement Model' training. The training consists of 3 sessions aimed at helping schools and authorities to understand and embed the model.

Session 1: Understanding 'The Engagement Model' and the use of observations
Session 2: Plan, Do, Review
Session 3: Reporting and Accountability

This course will be facilitated by **Ellen Croft**, Director of the Inclusion & SEND Hub and SEND SLE
