

Hosted by Inclusion & SEND Hub

Moving and Handling

A certified course providing essential training in the safe procedures for the moving and handling of people

Session Outcomes

- An overview of current legislation concerning health and safety surrounding moving and handling
- A demonstration of safe moving and handling techniques
- A practical session including the use of hoists and slings
- Upon successful completion of the course a certificate will be issued
- Moving and handling training must be updated every 12 months

This training is facilitated by Institution of Occupation Safety and Health (IOSH) approved trainers: Philippa Elliott, Samantha Simpson, Bev Snow & Kev Dakin.
