

SENSORY LEARNING

An inclusive approach to developing speech, language and communication through sensory environments

THURSDAY 25TH JANUARY 2024, 1PM - 4PM
THURSDAY 8TH FEBRUARY 2024, 1PM - 4PM
THURSDAY 29TH FEBRUARY 2024, 1PM - 4PM

To support staff working with pupils with complex SEN to create a more inclusive sensory learning environment to develop speech, language and communication. This workshop style training will provide delegates with hands on knowledge underpinned by research.

Workshop Activities Include:

- A tour of a specialist school with a focus on 'sensory spaces' including completing a sensory environmental audit.
- Gain an understanding of what learning and progress looks like in a sensory and communication rich environment including sensory rooms, soft play and classroom spaces.
- Creating a sensory story based on an upcoming theme in your school.

We aim for this course to skill professionals to support a pupil to:

- Develop a sense of belonging
- Express their wants and needs
- Understand the world around them
- Develop autonomy

Session 1

To gain understanding, confidence and the skills to:

- Create an inclusive classroom culture
- Identify sensory barriers to learning and how it may affect a pupil's development of speech, language and communication.
- Experience sensory environments through the 'eyes of a child' and understand the impact of this on pupils' learning and progress.

Session 2

To gain understanding, confidence and the skills to:

- Plan, deliver and assess a personalised sensory curriculum with a focus on speech, language and communication.
- Create a sensory environment conducive to learning.

Session 3

To gain understanding, confidence and the skills to:

- Create a sensory story related to themes in your school.
- Create sensory stories to develop speech, language and communication.
