

IMPACT 2023-24

PHONICS SCREENING CHECK

9%

average PSC increase achieved by our Wave 5 partner schools

“Our Literacy specialist is fantastic - the non-judgemental, positive support to phonics lead and teachers - face to face and knowing that she is always on the end of the phone/email. Sharing resources and the extra 'little' tips that we can add in for those border-line children.”

CPD

54

Events

473

Schools have attended our training events

“It has been incredibly valuable to receive ongoing CPD and hear advice and suggestions from the wider community”

OFSTED

52

Schools have been inspected since receiving intensive support from Roade English Hub

94%

of inspected schools have been graded either 'Good' or 'Outstanding'

94%

of inspected schools have either improved upon or remained the same as their previous grading

100%

of schools have had a positive comment about reading in their report

ENGLISH HUB SUPPORT

100%

of partner schools say that they would recommend Roade English Hub to other schools and colleagues

“Very pleased with the support. Would like to say a thank you to everyone from the Hub for their ongoing support”

92%

of partner schools say that they believe that their staff's confidence in teaching phonics has significantly increased since collaborating with the English Hub

“The biggest impact has been just knowing that you have the support to discuss any queries, concerns and data analysis with is huge. Having a wealth of knowledge in phonics to be able to guide us is great”
