

Professional Clerks' Development Programme

Facilitated by Cathy Brown, who is Director of Governance at TMET and an experienced governor trainer, this well-established programme (originally approved by the DfE) offers both new and experienced clerks an opportunity to develop their role so that they can contribute effectively to governance at their school or academy trust. New clerks will be able to develop their understanding of clerking and develop essential knowledge and skills, whilst experienced clerks will be able to enhance and develop their competencies and expertise.

The programme will consist of:

- ◆ Four modules, facilitated by an experienced, high quality facilitator

- ◆ Reflection on your learning throughout the programme
- ◆ Peer support and sharing practice with other clerks on the programme
