

ACHIEVING IMPROVED PARENTAL ENGAGEMENT

# English Hub Event

## Achieving Improved Parental Engagement

**3<sup>rd</sup> February 2022**

**3.30pm-4.30pm**

### Event Details

Join us for a discussion on how best to involve parents in their child's reading journey.

We know that home environments have an incredible impact on our pupils' enjoyment of reading so how can we support our parents to encourage a habit of reading when their children are not at school?

We will also explore the following thoughts:

How do we build strong reading relationships in the community?

Why do parents want to know about reading?

How can we interact without overwhelming?

Which ideas have worked well in other schools around the country?

We will also have the opportunity to answer any questions you have regarding parental engagement in your school.
