

# Safeguarding for Governors

LEAD | CHALLENGE | IMPROVE

The Safeguarding for Governors workshop is facilitated by Nick Thornber. Nick has been a teacher in both primary and secondary schools, as well as being Head Teacher at a special school. He currently works on several DfE leadership development programmes and is a trained leadership coach. In addition he has over 12 years' experience as a governor and is an experienced governor trainer.

## The workshop aims to:

- increase awareness of the background to safeguarding policies
- heighten commitment to the significance of effective safeguarding of children.
- support governors in their duty to monitor and evaluate their school's safeguarding policies and procedures.

The workshop is very important to all governing bodies and governors are encouraged to set aside time for reflection and action.

Other online workshops are available. Please visit our website and online booking system for further details.

To book your place, please visit our online booking system or
